Tune Central® *amazing*

**YOU HAVE ROCK. YOU HAVE POP. YOU HAVE SOUL.
BUT NOW YOU HAVE MORE OF IT THAN EVER BEFORE.**

TouchTunes' digital jukeboxes come pre-loaded with 1700 great songs and we've made it easy to add hundreds more on your own. But it doesn't stop there!

To add to the experience, Tune Central gives your end user access to GAZILLIONS of additional tunes from every genre imaginable with the simple push of a button.

Tune Central is an attachment the size of a breadbox that instantly connects your jukebox to the TouchTunes central music server with a gazillion hits and classics. With Tune Central, you always have the best assortment on the block.

*Tune Central –
a perfect TouchTunes
experience.*

You control which songs are on your system and leave the rest of the repertoire to Tune Central's virtual jukebox. End users can browse through the selections and choose from your jukebox selections or pay an extra credit if their favorite hit is a Tune Central tune. A gazillion songs. That's a lot of great music. That's a lot of happy customers. That's the TouchTunes experience.
